Mayor Pickup Passes Sunday

Funeral services were held Wednesday, January 21st for Mayor Howard W. Pickup who passed away suddenly on Sunday, January 18th.

Mr. Pickup suffered a severe heart attack two years ago and following a lengthy period in hospital and then recovery at home, appeared to be enjoying much improved health in recent months. He was stricken Sunday while skiing at the Drayton Valley hill.

An enthusiastic supporter of the community, he felt well enough last fall to return to local politics, and was re-elected mayor in the October election. His return as Mayor added to twelve years he had already served, either as mayor or town councillor.

He is survived by his wife Eleanor and Gordon, Mark and Connie; his step-mother, Mrs. Elsie Pickup of Calgary; and one brother Jud of Cochrane.

Mr. Pickup's untiring efforts were recognized in June of 1968 when he received the Bowl of Hygeia Award as "Pharmacist of the Year" for 1967. The award is presented annually by the A.H. Robbins Company of Richmond, Virginia, to the pharmacist selected by various Provincial and State Pharmaceutical Associations in North America.

Raised in Southern Alberta, Mr. Pickup graduated as a pharmaceutical chemist from the University of Alberta in 1940. After two years practice in Calgary he spent four years in the Royal Canadian Army Medical Corps.

He went overseas with the 11th Canadian General Hospital and was commissioned overseas and posted as Chief Pharmacist of the 600 bed no. 18 Canadian General Hospital. At the end of the war he became an Inspecting Officer for Army Medical Directorate of Canadian Military Headquarters in London.

His post-war practice included one year in Calgary, eight years in Nordegg and thirteen years in Drayton Valley.

Mr. Pickup kept up with changing pharmaceutical sciences with participation in continuing education courses offered by the University of Alberta since graduation, as well as attendance at the University of London Faculty of Pharmacy while overseas.

He was actively involved from 1949 to 1962 in Sunday School teaching, choir, and served from 1947 to 1963 as Clerk of Session and a trustee of the United Church. He served for seven years as a member of the Nordegg School Board, followed by twelve years as councillor and mayor in Drayton Valley.

On July 1st, 1967, Mr. Pickup was awarded the Centennial Medal in recognition of his community service. He was an active member of the Rotary Club and Chamber of Commerce.

Funeral services were held in the Legion Hall at 2:00 p.m. Wednesday with Rev. Gordon Ingram and Rev. E. Martin taking part in the service. Interment followed in the Drayton Valley Cemetery.

Honorary pallbearers were members of the Drayton Valley Town Council and active pallbearers Alex Grant, Bob Doig, Bill Johanneson, Terry Mulgrew, Alf Armstrong, Dr. David Lewis and Donald MacKenzie.

BOUNDARIES COMMISSION SHOWS INTEREST IN BRIEF

The Electoral Boundaries Commission, sitting at Wetaskiwin Wednesday, January 14th, showed considerable interest in a brief presented by the Town of Drayton Valley and representatives of the western part of the County of Parkland.

Changes in boundaries suggested in the brief would have the northern boundary of Pigeon Lake Constituency moved to about six miles south of Highway 16 encompassing the communities of Horen, Moon Lake, Tomahawk and Keephills. The brief suggested returning a portion of the eastern edge to the Wetaskiwin riding with the new eastern boundary between Warburg and Thorsby.

The land location requested for addition to Electoral Division No. 23 is the whole of Township 52 in Ranges 5, 6, 7, 8, 9, 10 and 11. The whole of Township 51 in ranges 5, 6, 7, 8, 9, 10 and 11 and all that portion of Township 50 in ranges 5 and 6, north of the North Saskatchewan River.

The brief also requested a change in name to either Drayton Valley Constituency or something appropriate for the area. The immense Pembina Oilfield was cited as a possible basis for a new name.

On the subject of constituency name, Mr. Frank Hoge of Violet Grove, representing the Drayton Valley F.U.A. Local, was also present and asked for a change in name from Pigeon Lake to Drayton Valley Constituency.

The Drayton Valley and area briefs were the only ones heard at the Wetaskiwin sitting and commission chairman Judge S. Lieberman complimented the committee on the thoroughness of the brief. Other members of the commission present at Wetaskiwin were M.L.A.'s William Dickie, Lou Hyndman and William Ure.

Spokesmen for the Drayton Valley group were Mayor Howard Pickup and Parkland County Councillor Rudolph Zander. Other members of the committee present at the hearing were County Councillors George Mann

WARRIORS WIN HOOP TOURNEY

There have been some great basketball games played in the local high school gymnasium over the past years but some of the greatest were played this past weekend in the 6th annual invitational tournament as some of the province's finest teenage athletic talent met in combat before an exuberant, overflow crowd of school supporters and spectators

As anticipated the Concordia College, Paul Kane contest was a great one, won by Concordia College 45-43 in the dying seconds on a beautiful jump shot from near centre court by Len Seres. Len had scored 15 points in the game and scored well on great drives on the basket but missed out on all-star acclaim only because he played in a tournament studded with stars. Another great individual effort in this contest was by another number 22 Lee Martin, of the fine Paul Kane club who had a 16 individual point performance. It was a heart-breaking loss for Paul Kane but they could be well proud of their come from behind effort.

Concordia College was eliminated from further competition later on in the afternoon by the St. Francis Xavier Rams 67-39. The Concordia club probably found the game a little anticlimatic after their great victory early in the day and couldn't get themselves up enough for the strong St. Francis crew. Leading the St. Francis Rams was Le Cavalier, of high school football fame, with a fine 15 point performance. Mel Otke was top scorer for Concordia with 16 points. The Rams victory moved them into the championship final against the local Drayton Warrior club for a game many people were anticipating. The Warriors had defeated the Rams earlier in the season and a rematch was looked for by both schools and their supporters and the final game was all it was expected to be. It was truly basketball at its best. Final score was Warriors 66, Rams 59.

The Warriors had reached the final by defeating Stony Plain Friday night 54-30 and Warburg Trotters Saturday afternoon 55-39.

The Warrior victory was a total and great team effort and a brilliant individual performance by Larry Mattoon, who was voted the tournament's number one star. Larry hit home for 31 points in this contest as he hit from all over the court and on the foul line.

St. Francis was led by Owen with 19 points and Le Cavalier with 18.

In the boys division all star honors went to Ernie Tremblay and Ray Le Cavalier of St. Francis, Edmonton; Ron Cameron and Larry Mattoon of Drayton Valley and Ed Cunningham of Warburg. Truly a coaches dream team.

Warriors Win

game it was Drayton Valley and St. Francis all over again. The Drayton Warriorettes reaching the finals by defeating Stony Plain 28-24 and Warburg 31-19. The St. Francis girls reaching the finals by defeating Paul Kane 67-30 with Wendy Moore scoring a phenomenal 39 points in this one.

The girls final was a good contest and close until the end of the game with St. Francis girls capturing tournament honors with a 31-23 victory. Reaching the finals was a satisfying achievement for the local Warriorette team as they continually continue to improve and are beginning to mature into a good ball club.

Taking all-star honors in the girls' division were Wendy Moore and Alice Martin of St. Francis, Judy Wilkes and Terry Cable of Drayton Valley and Gloria Townsend of Stony Plain.

The Frank Maddock High School thanks all people who volunteered their services.

Boundaries Brief

and Ivan Vowk, Town Councillor R.B. Smith, Secretary-Treasurer Bill Johanneson, and Maurice McCullagh. Mr. Hoge's brief for the F.U.A. was presented earlier in the afternoon.

As was the case in earlier hearings, the boundaries of the new Whitecourt riding were questioned. The day before the Wetaskiwin hearing an Evansburg-Entwistle delegation asked to be placed in the Stony Plain Riding during the Edmonton session of the commission. Hearings in the Peace River country also saw the Whitecourt boundaries coming under fire.

Spokesmen for the Drayton Valley and area group pointed out that residents of area suggested for annexation to Constituency No. 23 had much more in common with the Pigeon Lake riding that they did with the constituencies they found themselves in following redistribution. School, trade, recreational and social services are more readily available in Drayton Valley to residents of the northern region suggested for Pigeon Lake than they are in either of the major centres in the Whitecourt and Stony Plain constituencies.

It was also noted that economy of the area proposed for addition is the same as the majority of Pigeon Lake riding. The general consensus of the people of the area north of Drayton Valley seems to indicate that they would rather be included in Pigeon Lake rather than the Whitecourt riding.

Effect of the proposal contained in the brief would be an increase of six townships in No. 23 with the addition of 15 and deletion of nine. The population figure would be decreased by about 1750.

Nothing further is expected on the subject of electoral boundaries until the Legislative Assembly sits at the end of January.

LIBRARY NEWS

Many thanks to the Drayton Valley Elks Club for its generous donation of $250 for new books. It is planned to have each book bear the Elks' stamp showing that it has been paid for by the Lodge.

Our readers say:

Mr. Thatcher, putting down "Doctor's Wives" by Slaughter, Some of these books are too modern for me.".

Mr. Bonsey, "you should have a copy of "The Human Zoo". It has been bought.

Mrs. Barnes says that the " "Vines of Yarabee" by Dorothy Eden gives some idea of life in Australia. "Quite a readable story", says Mrs. Barnes.

Mr. Johanneson recommends both "A Horseman Riding By", and "The Green Gauntlet" by Delderfield. These are stories of English rural life before and during the two world wars.

Mrs. Machan says "Don't miss", 'And To My Nephew Albert I Leave The Island I Won Off Fatty Hogan In A Poker Game". It is reminiscent of the show "The Russians Are Coming".

The Municipal Library Board would like to stress that country residents are most welcome to use the library under the same terms as town residents.

Library fees are the only prices we know of that remain the same as they were fourteen years ago.

Fish and Game Plans Trophy Night

Members of the Pembina Oilfield Fish and Game Association are reminded of the club's annual meeting to be held Thursday, January 29th in the Goliad Hall at 8:00 p.m.

Another F.G.A. highlight of this week will be the trophy night and game supper to be held in the Elks Hall starting at 6:30 p.m. on Friday, January 23rd.

An unfortunate feature of community service is the fact that too many people are happy to pile the whole load on a few willing horses. And too often, when the work horses finally give up, another organization starts heading downhill.

A case in point in Drayton Valley is the Cub and Scout movement. About 85 boys are enrolled yet only five or six parents (other than leaders or committee members) ever show up to help in various undertakings. If you are one of the other eighty, don't you think it's about time you took a realistic look at the situation. The few won't go on forever.

Money-raising ventures, like the bottle drive, would take only Saturday morning if five or six vehicles showed up. Usually three or four are available, so the few volunteers, instead of giving up a morning to help the boys, give up most of the day.

Parent support in the areas of meeting attendance, work parties and leadership is a must to keep Cubs and Scouts a vital part of community life. Your help would be appreciated -- don't wait to be asked -- volunteer. Bruce Boles at 542-3059 would welcome your enquiry.

Minor Hockey Week

Once again it is that time of year when we are asked to support minor hockey, and to remind our readers of that already well-known slogan "Don't send -- Take your boy to the arena".

We are willing to do this because we agree there should be special recognition of the men (and women) who make minor hockey possible here.

The local minor hockey association is composed of enthusiastic, hard-working volunteers whose efforts on behalf of local youngsters cannot be measured in hours or dollars. They make it possible for hundreds of our youngsters to take part in Canada's National sport. Every boy in town can have the opportunity to play, and none will be turned away. That's the kind of organization it is.

More than that, they contribute towards the development not only of stronger bodies, but of healthier minds and better citizens. They keep the youngsters off the streets and engaged in healthy, supervised sport. We do agree with the slogan "To keep a boy out of hot water - put him on ice." The Town has provided the ice, our volunteers do the work to "put him on ice".

While we pause long enough to pay tribute to our minor hockey workers, similar recognition of the thousands of minor hockey volunteers in Canada is taking place right across the country; every municipality in Canada is doing the same thing during Minor Hockey Week, January 24 to 31

These are some of the reasons why this newspaper is happy to "Keep in Step with Canada" -- by supporting Minor Hockey Week. We urge readers to do likewise.

D. V. Highlights

By Mrs. Edith Deby

The people of our town and district mourn this week the passing of Mayor Howard Pickup. Mr. Pickup was known to all of us as a man of high principles, public spirit and as a loyal supporter of anything which would benefit the growth of our community. To Mrs. Pickup, Connie, Gordon and Mark we extend our heartfelt sympathy.

Constable Rod MacVicar left last week to take up his duties on the police force at Yellowknife.

Mr. and Mrs. Robert Doig will have a three week holiday in Sweden. Mrs. Doig's grandparents live in Malmo and a greater part of the holiday will be spent there. Mr. Doig's interest in photography is well known and he has promised to bring many coloured slides of that part of Europe.

Mr. Ed Hines has been in hospital in Edmonton for the past ten days where he is convalescing after surgery. His progress is reported to be quite satisfactory.

Mr. Albert Hodgson took a large group of students to see "Ice Capades" last Thursday night. The show was much enjoyed but the trip home was something else again for Mr. Hodgson. The extreme cold caused mechanical trouble with the bus and progress was made in fits and starts. The bus was warm and the students suffered no discomfort but it is doubtful that Mr. Hodgson's nervous system will ever fully recover.

Heartiest good wishes for many more happy years go to Mr. and Mrs. Walter Durham who celebrate their golden wedding anniversary on Friday of this week.

Bottle Drive

Drayton Valley Cubs will hold their coathanger and bottle drive this Saturday, January 24th. Please have your bottles and coathangers ready. Mothers please be sure to dress your boys warmly.

Three Teams Contesting Third Playoff Spot

On January 13th the Rebels tied a game with Camrose then split games with Stettler over the weekend.

The Camrose game was a real barn burner as the Rebels tied the score 4-4 at the end of regulation play. The Rebels scored first in the overtime period and then Camrose scored the equalizer with just six seconds left.

It was a closely fought contest all the way as the Maroons led 1-0 at the end of the first period on a goal from Jeglum. Frank Novosel opened the Rebel scoring at the 29 second mark of the second period followed by Rippel and Hall to put the Rebels ahead 3-1. Jack Molstad notched a pair for the Maroons to tie it up.

Jeglum put Camrose ahead again in the third frame and Novosel scored the tieing goal at 14:29. Dave Rippel scored the go ahead goal in the overtime period and the Rebels had the game under control until the final minutes. Camrose really came on strong, pulled their goal tender and hemmed the Rebels in their end of the ice scoring the equalizer with just six seconds left. It was a hard slap shot by Brandt from just inside the blue line that was screened.

On Saturday night the Rebels seemed to have both skates on the same foot and were beaten 4-1 by Stettler in the first game of the weekend double header. They missed on chances to score early in the game which may have given them the spark to go on, but they failed and as a result it was 1-1 at the end of the first period. Doug Hall opened the scoring on a fine solo effort when he knocked down a Stettler pass and broke in all alone on the goaltender, pulled him to the side of the crease and backhanded the puck into a corner. Doug Blaney scored for Stettler.

Don Mark and Wayne Ogilvie put the Imperials ahead 3-1 in the second stanza and Norm Koberinski tallied once in the final period to close out the scoring.

On Sunday afternoon the tables had turned and the Rebels came to play hockey. They skated, shot, checked hard and came away with a 7-3 win. Ron Hemmingway and Doug Hall each scored once while Blaney replied for Stettler in the first period. Barry Ness scored his first goal of a hat-trick he collected in that game. Then Hemmingway and McGowan added their goals to put the Rebels ahead 5-1.

Don Gilbert and Norm Koberinski made it 5-3 in the third period and the Imperials were going strong until Barry Ness scored on a blistering slap shot that the goaltender never even got a piece of. That seemed to take the starch out of the Imperial attack and the Rebels were never pressed very hard. Ness notched his final marker on a fine shot from the right corner that just caught the inside of the goal post and caromed in.

The Rebels have six games remaining in the regular schedule with two of those at home. Tuesday, January 27th they host Wetaskiwin and Camrose on Sunday, February 8th. The final play off spot is closely contested by the Rebels, Stettler and the Fort. The Rebels have 16 points, Stettler has 15 and the Huskies have 13. It will be interesting from here on in to see who gets eliminated.

It will also be interesting to see an adult or student ticket holder attempt at a shot on goal for prize money that is up to $55 for the adults and $35 for the students at the next Rebel home game.

Miss Sonya Slemko

Club Selects Queen Candidate

At the last meeting of the Lobstick 4-H Beef Club and the Pembina 4-H Field Crops Club, the members chose Miss Sonya Slemko to be their representative at the Valentine Dance to be held at the Wabamun Community Hall and hosted by the Fallis 4-H Clubs.

Anyone purchasing a voting ticket stands a chance of winning one of three prizes and any money raised in this effort goes for special project work at the Crippled Children's Camp at Lake Isle. Last year the money thus raised by the Valentine candidates went to the purchase of a raft from which children in wheel chairs could go on the lake and do their own fishing.

Sonya is 16 years old, was born and raised in the district of Rochfort Bridge. She lives on a farm about 15 miles north of Evansburg. She attends Evansburg High School and is in Grade Eleven. Her favorite school subject is Social Studies and she hopes one day to become a Home Economist.

Besides being a first year member in the Lobstick Beef Club, she is also a member of the School Yearbook Staff.

SUB-MITS
FROM THE ELEMENTARY SCHOOL

Last Friday the teachers from this school attended an Institute at Seba Beach. What is an Institute? If you check the dictionary you'll find the definition reads something like this -- a short teaching program established for a special group concerned with some special field work. And that is a pretty good description of what Teachers' Institutes are.

A few years ago these special days usually dealt with one subject. Now, partly because of interest and specialization of teaching areas several subjects are available.

The Institute at Seba brought together around 190 teachers from most grade levels. As well there were 5 or 6 school board member, including Mr. Vowk from our area, and 13 guest speakers. Mr. Wilson, assistant superintendent was also present. These speakers were from Edmonton and were all familiar with Alberta's school system, curriculum, and are all expert in their chosen fields. Most of them are also or have been recently, teachers so their suggestions and ideas were practical.

The Institute was planned by the Professional Development Committee, consisting of teachers, superintendents, and school board members. Mrs. Marg McDonald of our staff is secretary.

Most of our staff travelled to Seba via school bus leaving shortly after 8:00 a.m. and returning at 4:30 p.m.

We gathered in the gym for a short general session. Then we broke into smaller groups according to areas of interest. Included in these groups were Reading, Social Studies, Mathematics, Science, E.T.V. and Meeta. E.T.V. dealt with production techniques and methods to enable teachers to get the best from the equipment available in the schools. Meeta dealt with preparation of educational television programs for schools.

Now, if you have read all this, you need a lighter story. Said Grade one child to his teacher, when she told him she was going to Seba Beach. "Are you going to swim yet?"

And then there is the story of little Johnny who tried to explain to his mother that his teacher was going to an Institute. "Mom, I think teacher said she was going on an innocent toot."

Sincerely,
Olga Brown.

EVANSBURG NEWS

Clear cold weather and the odd snow flurries have kept activities to a minimum in the village recently. Wolf Cub activities have not yet resumed for this year, and unless the weather warms up a little, meetings will continue to be postponed.

The Teen Club, recently organized, sponsored the New Year's Eve dance held in the Legion Hall. The Club has held its first meeting of the year and has decided to sponsor a Valentine Queen.

The 4-H members in the area held their first meeting of the year recently. Among the many topics discussed were the sponsoring of a Valentine Queen in the 4-H Council, having a skating party soon, and going on a trip to see the Ice Capades. The money raised from the Valentine Queen contest goes for special projects for the crippled children.

Get well wishes are sent to Mrs. Vinall who is in an Edmonton hospital following injuries suffered when involved in a car accident recently. Also injured in the same accident were Mr. and Mrs. Bertil Berg of this district and Mr. Karlson of Entwistle.

With the close of the first semester looming near in the high school, many students are busy studying for final exams which are to take place during the last few days of the month. As well as getting ready for these exams, the students have to finalize their plans for the subjects to be studied during the next semester.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending January 15, 1970, provided by the Livestock Division, Canada Department of Agriculture.

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est).	4600	2500	2100	2400	390

SUMMARY

Deep freeze weather conditions continued to have an effect on livestock deliveries resulting in fairly light receipts. All replacement and slaughter classes met with good action throughout the week. Total sales consisted of approximately 70% replacement cattle and calves.

Slaughter Cattle & Calves -- Competition for slaughter cattle was keen as packers made a bid to maintain their kills. Feed lot steers opened 50 to 75¢ higher with choice handyweight steers advancing to $1.50 above last week with the odd sale topping $30 in closing trade. Butcher heifers opened 50 to 75¢ higher and sold progressively stronger winding up $1 higher. Cows and bulls opened strong and continued to gain momentum to close 50 to $1 higher. Veal and butcher calves scarce and steady.

Replacement Cattle & Calves- There was a broad demand for the various weights and classes of replacement cattle and calves. All replacement cattle sold high in the quotations with heavier steers 50¢ higher. Stock cows in good demand at firm prices. Stock heifer and steer calves fully steady with a few lightweights selling over quotations.

Shipments -- Out of province cattle and calf shipment -- East 75 for feeding and 80 for slaughter; B.C. 47 feeders and 410 for slaughter. Export to U.S. 29 for slaughter.

Witnesses Meet At Barrhead

Over 20 members of the Drayton Valley congregation of Jehovah's Witnesses braved last weekend's freeze to attend a three-day circuit assembly at the Emile Stehelin School auditorium at Barrhead.

The convention was a real test of faith and endurance as temperatures dipped to 40 below zero. Delegates came from Drayton Valley, Edmonton, Edson, Evansburg, Hinton and Whitecourt.

Several families came in school bus campers and kept their engines running during the whole convention.

Mr. Thomas Moss, presiding Minister of the local congregation, said one of the highlights of the convention was the baptism of 18 new members, 13 of which were teenagers.

"In these days when so many teenagers are going hippie and turning to drugs for kicks", said Mr. Moss, "It is heartening to see these young people take the serious step of dedicating their life service to Jehovah God".

Principal speaker at the convention was Mr. D.G. Clegg, district supervisor of Jehovah's Witnesses in western Canada. Mr. Clegg told the 780 in attendance that the standard for judging true or false religion is not what man - but what God says.

February Outlook

OTTAWA -- Pork prices are expected to show some weakness as domestic supplies increase according to the Canada Department of Agriculture February Food Outlook. Beef prices are not expected to change significantly. Broiler and roaster chicken will be in adequate supply at firm prices.

Eggs are in plentiful supplies at lower prices in the early part of the month; prices should stabilize toward the middle of February. Supplies of turkey will be adequate at steady prices.

United Church Setting For Double Ring Ceremony

Bouquets of red roses decorated the alter of the Drayton Valley United Church on December 6th when Darlene Townsend, second daughter of Mr. and Mrs. Wilfred Townsend of Rocky Rapids, exchanged marriage vows in a double ring ceremony with Dennis O'Neill, son of Mrs. Phyllis O'Neill of Penticton, B.C. The ceremony was performed by Rev. E. Martin.

Given in marriage by her father, the bride looked radiant in floor length sheath gown and train of white velvet. Her shoulder length veil was held in place by a crystal tiarra. She carried a beautiful bouquet of red roses. Her only jewellery was a silver cross necklace and earrings, a gift of the groom.

Maid of honor, Mrs. Karen Buryko and bridesmaid Miss Eileen Kjorlein wore identical dresses of floor-length emerald green velvet with long flocked silver net sleeves, complimented by chrystal tiarras. They carried bouquets of white carnations. Junior bridesmaid, Miss Leresa Townsend, sister of the bride, wore a floor-length white velvet dress with green velvet bodice ribbon and long silver flocked sleeves, complimented by a crystal tiarra and bouquet of red carnations.

Wilfie Townsend, brother of the bride, was ring bearer.

Attending the groom were Mr. Clint Lockland, Penticton, B.C. and Mr. Ray Lillico of Drayton Valley, also brother of the bride, Mr. Richard Townsend of Rocky Rapids. Ushers were Tommy Townsend, brother of the bride, and Mr. Kirk Mastre of Drayton Valley.

For her daughter's wedding, the bride's mother chose a two piece aqua fortrel and lace dress with white accessories and pink corsage.

The groom's mother chose a blue, Italian knit, two piece dress with white corsage.

Following the ceremony a reception was held in the Cardium Room. Mr. Ray Beland was m.c. and Rev. E. Martin asked the blessing. Mr. Manuel Schultz proposed the toast to the bride to which the groom ably replied. Mr. Clint Lockland gave the toast to the bridesmaids.

Attending their granddaughters wedding were Mr. and Mrs. Tom Townsend of Edmonton and Mrs. Lillian Bradley of Blue Ridge, Alberta. Attending his grandsons wedding was Mr. Hughes of Penticton.

Mr. Hughes, Mr. W. Townsend and Mr. Tom Townsend all spoke a few words. Mr. Grant Mastre said after dinner grace.

Everyone was asked to attend the wedding dance in the Rocky Rapids Hall were music was supplied by the Oil Tones for an enjoyable evening of dancing. The couple will reside in Penticton, B.C.
